

Michelle Davies

ART + DESIGN

Working as an art and design professional, I have a passion for great art, typography and color. On my days off from designing printed and digital marketing pieces for a competitive real estate company, you can find me at my easel painting contemporary works of art.

EXPERIENCE

January 2022- Present

Senior Graphic Designer

Cushman & Wakefield

Working with a high-tier Industrial Real Estate team to create branding and design for multi-million dollar warehouse and re-development building projects. Responsibilities include creating building logos, agency reports and marketing materials for a large quantity of industrial sites and helping to grow business with digital presentations and brochures.

September 2018- December 2021

Art Director

Coldwell Banker Realty | Remote

Developing and designing marketing materials for luxury real estate agents based on company brand guidelines. Assets include logo design, printed materials such as brochures and flyers, direct mailers, and digital assets for websites and social media. Providing full agent re-brands and designing layout and design changes for high demand luxury listing materials.

March 2017 - September 2018

Graphic Designer

Behr Paint Company | Santa Ana, CA

Provide graphic design and production support for print and digital based collateral, signage, and a variety of graphic art projects within the company standards. Develop visual concepts, packaging and promotional graphics within demanding deadlines.
